GREAT RELIEF TO THE STUDENTS OF RAI UNIVERSITY, AHMEDABAD BY HON'BLE HIGH COURT OF GUJARAT BY POSTPONING THE ENTRANCE EXAMINATION OF GUJARAT STATE AGRICULTURE UNIVERSITIES TO BE ORGANISED BY JUNAGADH AGRICULTURE UNIVERSITY

Challenging the action of Admission Committee in excluding the students of Rai University, Ahmedabad from consideration in the admission process for the course of M.Sc. Agriculture for college affiliated to all the State Agricultural Universities (SAUs) of Gujarat State. It was the submission of the students of Rai University that the exclusion by Admission Committee was arbitrary and discriminatory and on account of such an illegal and high-handed decision, bonafide students would suffer as they would not be able to appear for Entrance Examination which was scheduled on 5th August, 2018. The Hon'ble High Court, after hearing the advocate for the University and then students directed the advocate appearing for the Government that such students should also be permitted to appear in the Entrance Examination and their result would be subject to outcome of the petition. The advocate for the State thereafter requested for the matter to be kept after lunch for taking appropriate instructions. After lunch, when the matter was taken up by the Court, the advocate for the admission committee submitted that the matter be posted on 09.08.2018 for further hearing in the matter, the entrance examination would be postponed by the Admission Committee. This order has come as a great relief for the students of Rai University appearing for M.Sc. Agriculture.
