Supreme Court Judgment in the case of B.Sc. Agriculture

All Agriculture Students are hereby informed that the Hon'ble Supreme Court after hearing the lawyers of the Universities at length and also the counsel of Govt. of Gujarat passed a detailed order which included a direction to Govt. of Gujarat and Universities to consider the cases of students who have passed out or taken admission prior to the judgment of Gujarat High Court sympathetically and also consider granting consent to the Universities for future admissions. The Hon'ble Supreme Court also said in its order that the earlier position prevailed on account of legal complication. The Hon'ble Supreme Court also held that the order passes by Gujarat High Court would not come in the way of Govt. of Gujarat in regularization and make admissions already granted legal. The observations of the Supreme Court would definitely weigh with the Govt. of Gujarat to regularise the admission.

Note: Detailed order copy will be uploaded once available.
