Internship Opportunity – MG Nurture (Paid Internship)

Automobile giant Morris Garages (MG) is introducing a first-of-its-kind student support paid internship programme – **MG Nurture** for 1st year MBA & graduate and post-graduate students across 79 cities in India. The programme is designed to armour students with skills that will enhance their career prospects in future. Collegedekho.com, India's leading Ed-tech start-up is the *official* partner to augment this programme.

All Students are hereby informed that all final year students (graduate/post graduate – any stream) and MBA First year Students are eligible to apply for the MG Nurture Programme which is 10 Week paid Internship programme. The Programme also has a feature of further on job training and subsequent opportunity to be absorbed in the rapidly growing Automobile company.

For more details, kindly refer the progame details available on website under Internship opportunities.
